

Oncology Academy 2023

Pushing the Boundaries in the Management and Treatment of Breast and Prostate Cancer

Friday 8 – Saturday 9 September 2023
Lagoas Park Hotel, Porto Salvo, Lisbon, Portugal

Meeting objectives

- To encourage and support education and advancement of knowledge in breast and prostate cancer and related scientific fields, including the promotion of scientific research
- To provide the oncology community with a summary of some of the most significant treatment advances in breast and prostate cancer
- To review the current standard of care for breast and prostate cancer from a local and international perspective
- To help the oncology community better serve people with cancer

Meeting co-chairs:

- Dr Matti Aapro (Switzerland)
- Prof. Ken Herrmann (Germany)

Time	Session	Speaker(s)/Moderator(s)
Day 1
